Richard Scott Salon and Day Spa

Dear Stacey,

We wanted to thank you very much for all of your assistance with the Armonk Preschool Association Spa event.

Several of the attendants told me that this was by far our best event. We heard comments like “that was the best massage of my life” and “my face is so smooth after that facial – I can’t wait to come back for another one”. Another person got a massage and was so impressed that she decided a massage at the salon was the perfect Valentine’s Day gift for her husband.

The staff was very accommodating and made everyone feel beautiful as they walked out of the salon. People stopped me in town several days later to say that they were so happy to be introduced to such a great spa and now find no need to drive into the city to get truly pampered. I would recommend the salon to any friend or family member.

Thanks again
